## Our Mission

To create value in the lives of people through innovation and thereby develop a sense of pride for those associated with us. We have quality checks at each and every stage of the process to ensure that quality standards are maintained. Following which, our finished products are subject to stringent functionality tests.

We strive to create value for our customers through our range of products for everyone associated with us

**Quality is our promise, your satisfaction is our priority.**

## Our Certifications

## STAINLESS STEEL HOT ROLLED SQUARE BARS

Unlock new heights of invention with the sleek hot rolled steel square bars, engineered for exceptional durability and strength. These steel bars are the backbone of robust construction. They offer unparalleled performance in a variety of demanding applications. From towering skyscrapers to complex industrial machinery, our hot rolled bars provide the reliable support you need.

At Fortran Steel, we pride ourselves on producing stainless steel hot rolled bars that meet the rigorous demands of modern-day needs. Our SS square bars are crafted with precision for consistent quality and performance. Our commitment to quality sees to it that every hot rolled steel square bar we manufacture is built to last, and has the resilience to withstand heavy loads as well as harsh conditions.

When you choose our hot rolled steel bars, you're investing in the future of your projects. Trust Fortran Steel to deliver the stainless steel square bars that drive innovation and excellence in your field.

## Applications

- Construction
- Automotive
- Marine
- Energy Sector
- Heavy Transport
- Industrial Equipment
- Infrastructure
- Oil & Gas
- Aerospace & Defence

## Sizes

5mm to 80mm

## Tolerances

ASTM A 484, DIN 1013

## Supply Condition

- Annealed
- QT
- Cold drawn
- Hot rolled

## Grades

303	304
304L	316
316L	321
347	410
416	420
430	440C
904L	2205
2507	17-4PH

## Sustainability At Our Core

Our company's rainwater harvesting system conserves 5,000 liters of water every day. This adds up to 1.5 million liters annually, contributing to sustainable practices and reducing our environmental footprint significantly.

Our solar power system saves 1 million units of electricity annually, reducing energy costs and supporting our commitment to sustainability.

We ensure CBAM compliance by utilizing recycled steel in our processes, reflecting our commitment to sustainability and eco-friendly practices. This approach minimizes carbon emissions and aligns with global climate and regulatory goals.

We are aligning our efforts with global carbon emission goals, driving sustainable practices to create a greener, more eco-friendly future.

**We Save  
1.5 Million litres of  
water every year**

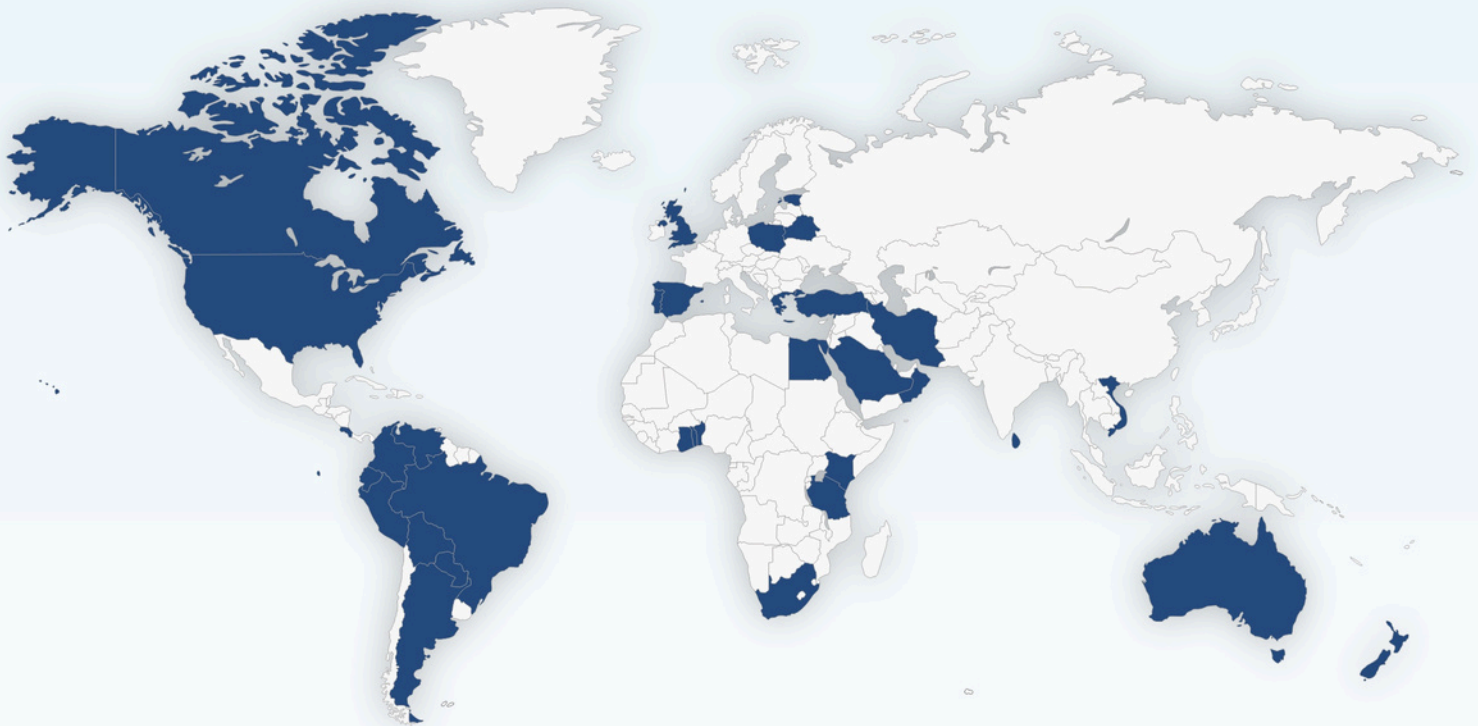

**1 Million  
units of Electricity  
saved every year**

**CBAM  
compliant**

**Reducing  
Carbon Emissions**

# Made in India, Exported worldwide.

**Factory Location close to JNPT Port, Navi Mumbai**  
**Currently exporting to 30+ Countries**
