Our Mission

To create value in the lives of people through innovation and thereby develop a sense of pride for those associated with us. We have quality checks at each and every stage of the process to ensure that quality standards are maintained. Following which, our finished products are subject to stringent functionality tests.

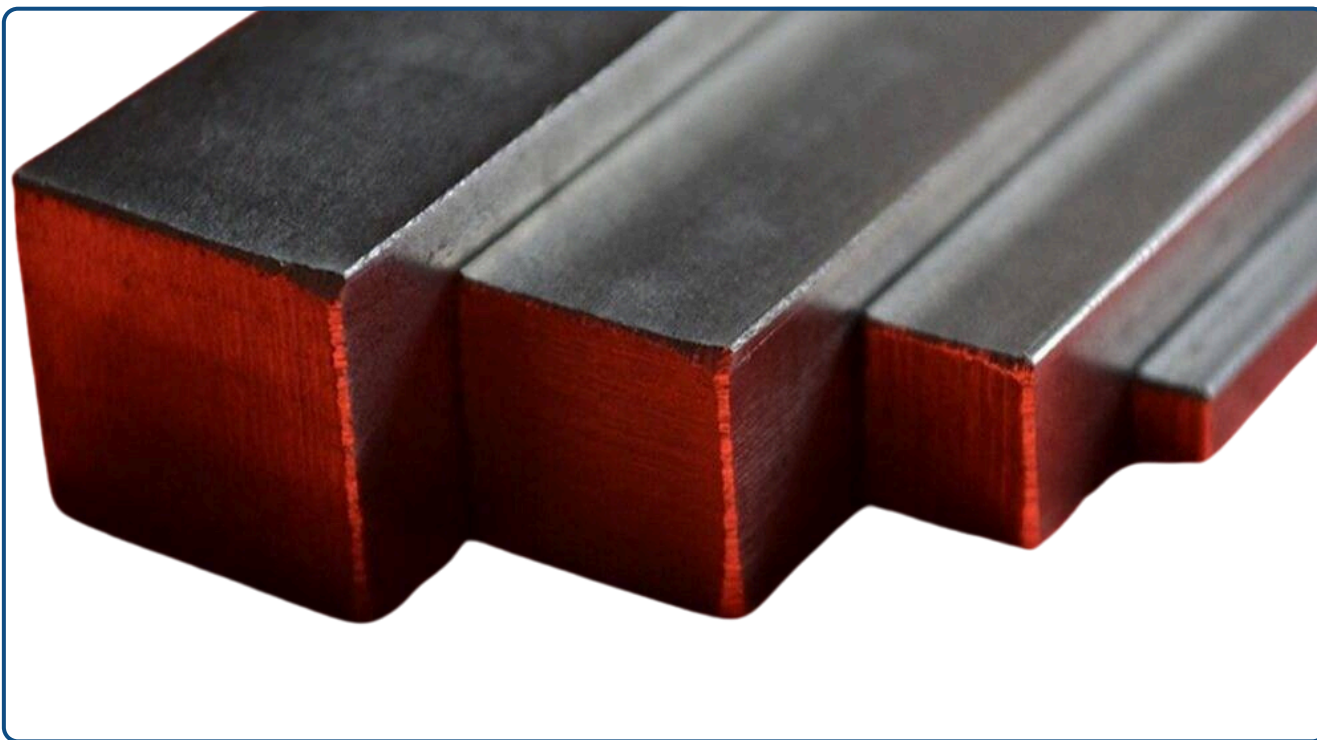

We strive to create value for our customers through our range of products for everyone associated with us

Quality is our promise, your satisfaction is our priority.

Our Certifications

MILD STEEL HOT ROLLED SQUARE BARS

Fortran Steel's mild steel square bars are crafted with precision and built to last. Our MS square bars deliver outstanding strength and versatility. As a trusted MS square bar manufacturer, we prioritize quality and durability in every mild steel bar we produce.

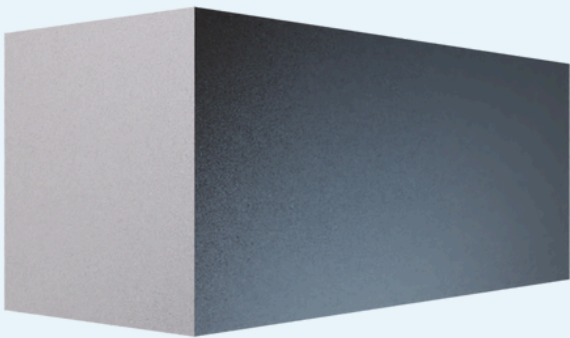

Our mild steel square bars are available in a range of sizes to meet your specific requirements. The wide availability of Fortran Steel's mild steel square bar sizes makes them perfect for construction, fabrication, or engineering projects. The robust nature of our mild steel square rods and bars provides reliability and performance.

Fortran Steel's square mild steel bars are designed to meet and exceed the highest industry standards. Choose our bright mild steel square bar for a dependable solution that excels in both functionality and appearance.

Sustainability At Our Core

Our company's rainwater harvesting system conserves 5,000 liters of water every day. This adds up to 1.5 million liters annually, contributing to sustainable practices and reducing our environmental footprint significantly.

Our solar power system saves 1 million units of electricity annually, reducing energy costs and supporting our commitment to sustainability.

We ensure CBAM compliance by utilizing recycled steel in our processes, reflecting our commitment to sustainability and eco-friendly practices. This approach minimizes carbon emissions and aligns with global climate and regulatory goals.

We are aligning our efforts with global carbon emission goals, driving sustainable practices to create a greener, more eco-friendly future.

**We Save
1.5 Million litres of
water every year**

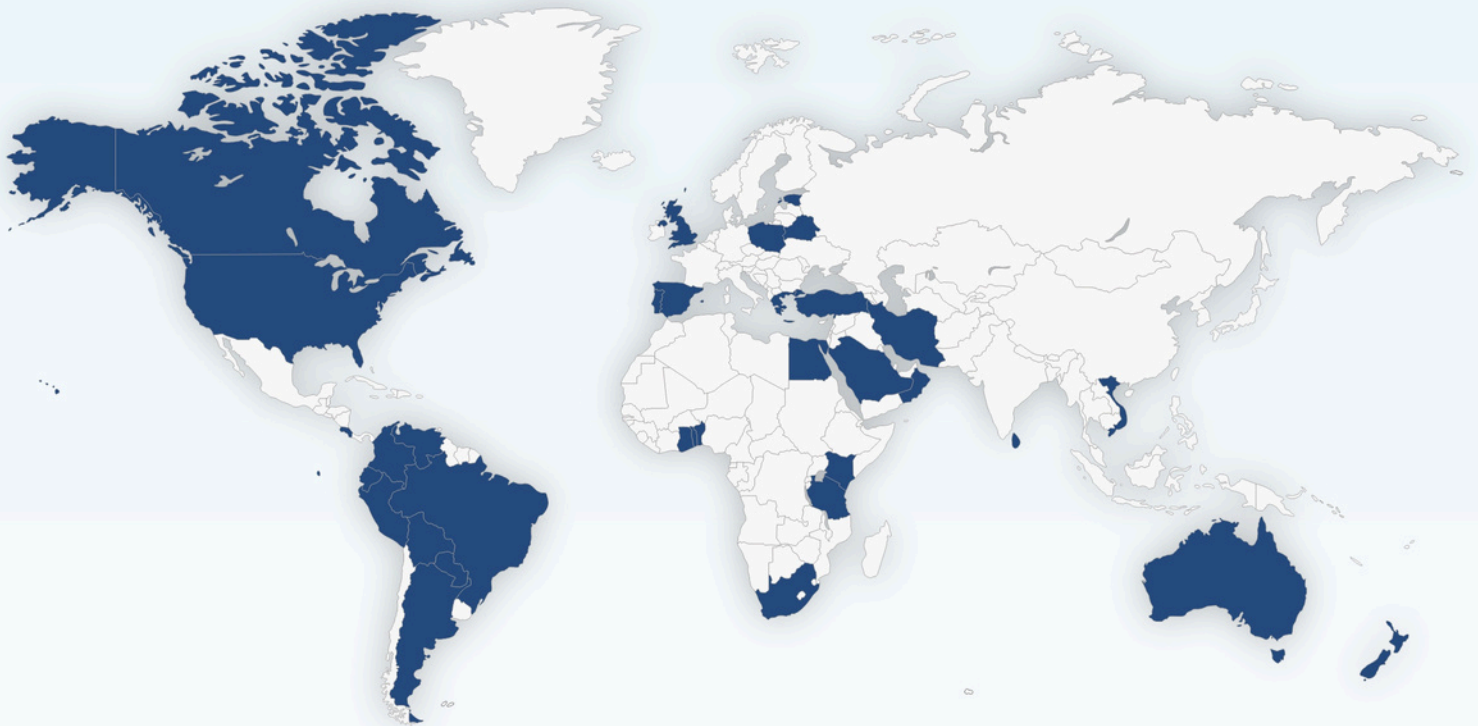

**1 Million
units of Electricity
saved every year**

**CBAM
compliant**

**Reducing
Carbon Emissions**
